4. Background Check and Physical Examination

A thorough background check and physical exam is conducted of each applicant submitting an application. However, due to the laws restricting the investigation of minors, the criminal background of applicants less than 18 years of age are not able to be investigated. Applicants less than 18 years of age MUST SUBMIT WRITTEN AUTHORIZATION TO JOIN THE FIRE DEPARTMENT FROM THEIR PARENTS OR LEGAL GUARDIAN ALONG WITH THEIR APPLICATION. The application will be considered incomplete and will not be acted upon unless or until this written permission is provided. A parent or guardian conference for Fire Explorers and Jr. Firefighter’s must be held with the Chief of Department before continuing with the application process.

a. **Background Check:** A thorough background check is conducted of each applicant (except as noted above) and a five year motor vehicle abstract is conducted through Motor Vehicle records.

b. **Physical Examination:** A thorough physical examination will be conducted of each applicant by the Fire Department Physician following the submission of the application. It is the applicant’s responsibility to have the physical examination done as soon as possible after receiving our notification to proceed. We are responsible for the cost of the physical examination. The office hours of the Fire Department’s physician, Life Care Medical Center, 601 North Main Street, Glassboro, NJ varies, so please call ahead for an appointment. You should contact Linda, who is assigned to our Department, at 856/881-1330 to schedule an appointment. Life Care Medical Center also has an office in Swedesboro and Clementon if for some reason you are unable to go to Glassboro. All new member applicants must submit to drug and alcohol testing in accordance with the Deptford Fire Department Drug and Alcohol Policy. The physical exam consists of a physical history that the applicant will provide to the physician and a non-invasive physical to determine the overall health of the applicant. The physician will complete the back portion of the NJ Fireman’s Association Application, form 100, and return it to the Clerk, Board of Fire Commissioners following the physical examination. They will also start and maintain a file on each applicant for future follow-up. No Fire Department turnout gear or pager will be issued until application process is completed in its entirety.
5. **Orientation Session Procedure**

Each applicant will be supplied with a bound “Employee Handbook” or CD when the administrative review is completed. This manual is to be reviewed and studied by the applicant in order to prepare for an Orientation Session on the operations and procedures of the Deptford Fire Department. A station officer at the station you will be assigned to will conduct this session. It is the responsibility of the applicant to contact the station officer assigned to him/her and arrange a mutually convenient time for the orientation session to occur as soon as possible after receiving the “Employee Handbook”.

6. **Review of Application by Chief of Department**

When all portions of the application process are complete, the entire package will be submitted to the Chief of Department for a review. If there are any questions on the information submitted on the application or any of the information uncovered during the application process, further investigation will occur. If the Chief of Department recommends membership for the applicant, the application process will be considered complete and the new member induction process will begin.

7. **Induction of New Members**

If the Chief of Department recommends membership for the applicant, the applicant will be promptly notified of the date of the next meeting of the station assigned to. A letter will be prepared for reading and consideration by the Station. It is strongly recommended that the applicant make every possible effort to attend this meeting in order to be accepted.

8. **Active Duty Begins**

Once the applicant is accepted, he/she is now a new member of the Fire Department. The new member will be notified of the equipment issuance process that must be completed in order to begin active duty status. Once equipment has been issued, the new member will be closely advised by the assigned station officer in the operating procedures that must be followed when responding to incidents or when visiting the fire station. New members are strongly encouraged to continually review the “Employee Handbook” during the first few months of membership in order to take advantage of the valuable information it contains.

9. **Points to Remember**

The selection of competent and responsible personnel for membership in the Fire Department is essential in our mission to provide safety, protection and service to the public. Applicants are reminded to be patient with the membership process in order to allow sufficient time for the review of each applicant. Our goal is to complete the application process for each applicant from start to finish within 30 days.
The Deptford Fire Department is an equal opportunity employer and will not discriminate against any applicant due to age, race, sex, religion, and national origin or due to non-merit factors.

All new members must complete a one (1) year probationary period with the Fire Department before full membership privileges will be granted. Any habitual violation of policies or procedures during this period may lead to immediate expulsion from the Fire Department.

Any applicant that fails to complete any portion of the application process within three (3) months of the original submission date of the application packet may be automatically rejected for membership.

If the applicant is rejected for membership, he/she has the right to file a written request for reconsideration with the Chief of Department. The Chief of Department will then present the request to the Deptford Board of Fire Commissioners and Department Solicitor. At that time, a complete investigation will be conducted.
